This application is a commitment to God and His followers. Remember, the team that served you on your Walk to Emmaus or Chrysalis Flight were dedicated to YOU. Now, in the same way, you must dedicate yourself to the Pilgrims who may not even know you. By signing & submitting this application, you are committing to attend **3** daylong team meetings if you are chosen to work in the Conference Room or as a Support Coordinator. If you are asked to work support in any other fashion, a one day training meeting will be given and your attendance may be required (dates to be determined by the Lay Director of the Walk). You will be contacted by the TSC following the team selection process.

<p>My signature indicates that I joyfully dedicate myself to the required training session(s) and to this Walk:</p> <p>X _____ Date: _____</p>

Please see page 2 for additional information and mailing instructions.

The Northern Colorado Emmaus Community Team Selection Committee (TSC) urges you to join us in humble servant hood to our Lord and Savior. Your assignment will be made by the TSC in a position where you may also observe and learn the scope and responsibilities of other positions, and where you will have the opportunity to learn how our loving Emmaus community serves the pilgrims. Assignments will then progress as the TSC deems is in the best interests of the success of the Walk. You will not be able to serve in the Conference Room if you have not had Upper Room training, as provided by the NCEC Education and Training Coordinators. See our website for further information.

If you are contacted to serve, please do not accept the invitation unless you have prayerfully considered and can recognize this commitment as a high priority in your life and in the lives of those depending on you. Neither should you accept an invitation if you do not have the time and/or personal dedication to attend the required training session(s) prior to the Walk, or if you are sponsoring a Pilgrim on this Walk.

Thank you!
